Karen,
I've logged in the request brought to me by Robin Hawkins. We have a fairly new pot of curb money with requests dating back to 2003. We are repairing downtown curb and hazardous curb 1st, and then the newer requests will be scheduled. So it will probably be after July 1st.
Another option is to replace it now with the Councilman's funds. There is 216 feet to be replaced, so the estimated cost would be \$3,100.
